

RETIREMENT

A search box with a cursor pops up on the screen. A question starts to fill in.

SEARCH BAR: **How much do I need to retire?**

The cursor deletes the question and turns something new.

SEARCH BAR: **Can I afford to retire early?**

The person types a new question.

SEARCH BAR: **Should I start a business after I retire?**

The person deletes part of the question and writes a new question.

SEARCH BAR: **Should I start a nonprofit after I retire?**

The person deletes back to “Should” and pauses for a moment before typing the next question.

URL: **Should I talk to a financial advisor? Good questions lead to good answers. Our advisors can help you find both. Talk to one today to see why we’re bullish on the future. Yours. Merrill Lynch www.ml.co**
